

ED is Available for ON FARM LEASE!

Retired Hunter/Jumper/Event OTTB, 16.1 hand gelding

Late Night Eddy is 19 years old, sound, great to the jumps and cross country, a veteran show horse.

VERY flexible terms, first month free!

Ed's owner is away on contract and Ed needs an intermediate – advanced level rider to keep him busy. Possible showing for the right rider, as I have a two horse trailer. I'm mostly looking to get him ridden and, in a program, as he is too talented to just loaf around the farm.

He is available to ride all days and times to accommodate any schedule.

Student showing Ed
